

UNITED STATES DISTRICT COURT
MIDDLE DISTRICT OF FLORIDA
TAMPA DIVISION

2004 SEP 10 PM 2:15

UNITED STATES OF AMERICA

CASE NO.: 8:03-CR-77-T-30TBM

vs.

SAMEEH HAMMOUDEH

FIFTH MOTION TO ALLOW CONTACT VISIT

COMES NOW, the Defendant, SAMEEH HAMMOUDEH, by and through his undersigned counsel, to allow contact visits with his family members on a regular basis and as grounds therefore would state:

1. That the Defendant has been permanently housed at Coleman prison in the most serious offender dormitory known as the S.H.U. which has very restrictive conditions. These conditions are designed for inmates serving a prison sentence and who have also been found to be the most serious of offenders and are not well suited for pretrial detainees.

2. That because of these unique conditions of pretrial confinement dictated by the necessity of this particular case, there are no available means for contact visits unless by ordered by this Court.

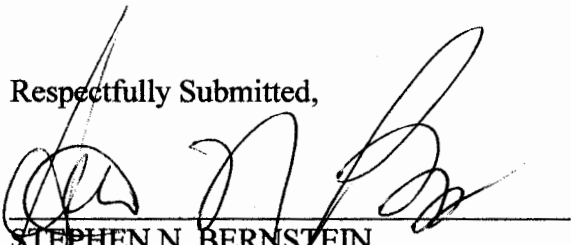

3. Due to the nature of confinement and the trial date of January 2005, it is requested that this Court consider authorizing a special contact visit between the Defendant and his family. The Defendant's daughter is leaving next week to go to college and he would request visitation with her prior to her departure.

4. It is also requested that the Court consider allowing the Defendant weekly social phone call to check on the condition of his family. Again, unusual request but is asserted that

this is reasonable in view of the length of pretrial confinement, the severity of conditions at this particular facility.

WHEREFORE, it is requested that this Court enter an Order which authorizes a contact visit between the Defendant and his immediate family to accommodate the special needs of his pretrial status.

Respectfully Submitted,

STEPHEN N. BERNSTEIN
